Heartland Information Research (HIR) is a Wisconsin based management consulting firm assisting business owners make informed decisions and build profitable companies.

HIR developed the Business Advisor flat-fee service to help busy owners set and achieve more business objectives each month. This service provides them with a knowledgeable advisor familiar with their company to help gather information, facilitate decision making, and provide advice on a wide range of general business issues.

Affordable fixed monthly pricing takes the guesswork out when seeking information, advice, or just a sounding board for decisions.
